Texas Is the Strongest Pilot Market: 68 Eligible Customers at a 42.8% Qualification Rate

Recommendation

Prioritize Texas for the first Wildcat Rewards credit card pilot mailing. Texas has 68 eligible customers out of 159, representing a 42.8% eligibility rate compared with 20.4% overall. Although some states have higher eligibility rates, Texas offers a larger eligible customer pool, making it a strong starting point for the pilot.
